OUR STEAKS

Our steaks are cut by our butchers to order. If there is a specific cut or size you would prefer, please speak with your server. All of our dry-aged Strips, Delmonicos, Porterhouses, and T-bones are U.S.D.A. Prime. Those cuts are dry-aged in house for 5-8 weeks, then charbroiled over natural hardwood lump charcoal. All steak entrées include: french onion soup, house salad, baked potato, onion rings and the vegetable of the evening.

Filet Mignon
